Dear Professor  25X1A5a

25X1A9a I expect  has already talked to you about our proposed recruiting trip to the campus on October 22. I recall my last visit in the fall of 1957 with pleasure; you 25X1A5a perhaps recall that I visited  on a similar mission at that time, together with  25X1A9a

Our needs for competent recruits remain undiminished, and we hope you may have a promising crop of students this year whom we may be able to interest in joining us in our challenging program.

I am looking forward with pleasure to this visit. Until then, with every good wish

Sincerely, 25X1A9a
